County Clerk,

Pursuant to **O.S. Section 3040.13 - Roster of Licensed Midwives - State - County - Confidential Data B.** The Department shall provide each county clerk and each local registrar of births in a county with the name of each midwife practicing in the county.

Below is a list of Licensed Midwives currently licensed by the Oklahoma State Department of Health. This list is specific to non-nurse midwives as Certified Nurse Midwives are licensed by another board and are exempted from this license per OAC 310:395-1-3.
